

A detailed illustration of a fantastical golden city. The city is built on a series of tiered, rocky platforms. Each platform features ornate golden structures with sharp, pointed spires. Waterfalls cascade down the sides of the platforms, creating a sense of movement and life. The architecture is highly detailed, with intricate carvings and patterns. The overall color palette is dominated by gold, brown, and green, set against a bright, hazy sky with soft clouds and rays of light. The text 'ARMILLA THE GOLDEN CITY' is overlaid in the center in a bold, blue, stylized font.
